

MODTECH | Website Changes

Section-wise Hinglish Checklist | 03 October 2026

01 Division - Background Videos

- ☐ **01.** Division ke main section/background mein 1 common YouTube video add karna hai.
- ☐ **02.** Casting card par uska separate YouTube background video add karna hai.
- ☐ **03.** Robotic Automation card par uska separate YouTube background video add karna hai.
- ☐ **04.** Total 3 videos client provide karega. Videos loop mein chalni chahiye.

02 Machines - Details aur Menu

- ☒ **05.** Division ke Casting aur Robotic Automation ke View Machines buttons existing Machine section par le jaane chahiye.
- ☐ **06.** Machine section remove nahi karna hai. Machine images aur names already added hain; ab andar ki details complete karni hain.
- ☐ **07.** Har machine ki information, specifications aur tables client ke diye hue write-ups ke according add karni hain.
- ☐ **08.** Jahan zaroorat ho, old/original website se machine information aur table structure ka reference lekar cross-check karna hai.
- ☐ **09.** Old website jaisa Machines menu banana hai. Hover par machine categories/options ka dropdown dikhna chahiye.

03 Industrial Section

- ☒ **10.** Separate Industrial section mein Pharma aur FMCG add karna hai.
- ☒ **11.** Industrial section open hote hi Pharma aur FMCG first view mein clearly dikhne chahiye.

Section-wise Hinglish Checklist | 03 October 2026

04 Header - Moving Announcement Bar

- ☒ **12.** Header ki existing fixed Modtech name/email wali top line ko moving announcement bar se replace karna hai.
- ☒ **13.** News-headline style moving text mein updates, notices, announcements, events aur blog updates dikh sakein.
- ☒ **14.** Announcement ka text Admin Panel se manage hona chahiye.
- ☒ **15.** Admin ke paas announcement bar ko show/hide karne ka control hona chahiye.
- ☒ **16.** Admin decide kar sake ki announcement kab tak display rahega.
- ☒ **17.** Admin announcement ke liye redirect URL add/change kar sake.
- ☒ **18.** Announcement par click karne se configured link open hona chahiye, jaise blog post, event post ya notice page.

05 Blogs Section

- ☐ **19.** Existing News section hata kar ek common Blogs section banana hai.

06 Contact - Global Representatives

- ☒ **20.** Contact section mein Global Representatives add karne hain.
- ☒ **21.** Old/original website ke available 3-4 representative profiles reference se lenne hain.
- ☒ **22.** Har representative ka separate card banana hai; name, profile aur country/location clearly display karna hai.
- ☒ **23.** Jo contact details old website par available hain, wahi relevant card mein properly add karni hain.

Section-wise Hinglish Checklist | 03 October 2026

07 About Us - Content aur Background

- ☒ 24. About Us mein mention ki gayi 2 facilities remove karni hain.
- ☐ 25. About Us ka existing background change karke Modtech ka YouTube video add karna hai.
- ☐ 26. Video loop mein chale aur uske upar section ka content clearly readable rahe.

08 About Us - Certifications

- ☐ 27. About Us mein Certifications section add karna hai.
- ☐ 28. Company ke saare available certificates clean aur professional layout mein properly display karne hain.

09 About Us - Valued Customers

- ☐ 29. Old/original website se Our Valued Customers ke logos/names lena hain.
- ☐ 30. Valued Customers ko common section ke roop mein About Us ke andar properly add karna hai.

10 Testimonials / Client Reviews

- ☐ 31. Client testimonials/reviews ko website mein professional cards/layout mein add karna hai.
- ☐ 32. Actual available client reviews hi use karne hain; content client/source se lena hai.

11 Footer - Enquiry Emails

- ☐ 33. Casting Machine enquiries ke liye ek separate email ID display karni hai.
- ☐ 34. Robotics & Automation enquiries ke liye doosri separate email ID display karni hai.
- ☐ 35. Dono email IDs ko clear labels ke saath properly display karna hai.

12 Website Text Correction

- ☐ 36. Website mein jahan-jahan "Modtech Machinery" likha hai, usko "Machine" se replace karna hai.

Section-wise Hinglish Checklist | 03 October 2026

13 Admin Panel - Lead Management

- ☒ 37. Lead management ka hierarchy flow banana hai: Super Admin > Sales Manager > Sales Person.
- ☒ 38. Leads Admin Panel mein visible honi chahiye.
- ☒ 39. Leads ko hierarchy ke according assign/transfer karne ka option hona chahiye.
- ☒ 40. Lead assign/transfer hone par relevant person ko email notification jaana chahiye.
- ☒ 41. Sales Manager aur Sales Person apni relevant/assigned leads panel mein dekh sakein.

14 Admin Panel - Limited Editing

- ☐ 42. Admin Panel mein website ki har cheez edit/change karne ka option nahi dena hai.
- ☐ 43. Unnecessary editing controls remove/lock karne hain, taaki future mein galti se website mein issue na ho.
- ☐ 44. Admin controls ko required daily operations tak limited rakhna hai: announcement bar, blogs aur leads management.
- ☐ 45. Layout, section structure, colors/theme, navigation, core design aur technical settings ke editing controls normal admin ke liye lock/remove rakhne hain.
- ☒ 46. Role ke according access dena hai; Super Admin, Sales Manager aur Sales Person ke permissions alag rakhne hain.

15 Pending Details / Client Inputs

- ☐ 47. Client se 3 Division videos aur About Us ke Modtech YouTube video ka correct link lena hai.
- ☐ 48. Machine write-ups, old/reference website ka URL, certificates aur actual testimonials collect karne hain.
- ☐ 49. Footer ki dono enquiry email IDs confirm karni hain.
- ☐ 50. Admin se exactly kaun-kaun se extra controls hatane hain, uski final list abhi pending hai. Testimonials ya doosre content ke edit controls ki permission bhi finalise karni hai.
